Our Products

Equities (Listed Shares/Securities)

SOLOMON Stockbrokers provides a link between investors who are willing to sell and investors who are willing to buy listed securities in the stock market. Currently there are 28 listed companies in DSE of which 21 are local companies and 7 are cross listed.

Unit Trust of Tanzania

Is a collective investment scheme established to develop collective investment schemes in Tanzania; acquiring and keeping in-trust the shares of privatized enterprises and encouraging savings culture through wide participation in the ownership of distributed shares / units.

These schemes are

- Umoja Fund,
- Watoto Fund
- Wekeza Maisha
- Jikimu Fund
- Liquid fund
- Bond fund

Government Securities

The Bank of Tanzania (Central Bank) offers Treasury Bills in an interval of two weeks and Treasury Bonds for investment. Auctions are conducted at regular interval through a competitive tender process in the primary Market. The issued Government Securities (bonds) are listed in the Dar es Salaam Stock Exchange where secondary trading takes place.

Treasury Bills

Treasury Bills are short-term securities maturing within a year. In the Primary Market, the Bank of Tanzania [BOT] issues T-bills for the first time on a fortnight basis.

BOT issues on T-bills in four categories with maturities as follows:

- 35 days T-bills
- 91 days T-bills
- 182 days T-bills
- 364 days T-bills

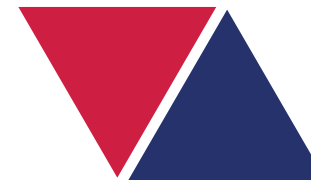

Treasury Bonds

Treasury Bonds are long-term securities with maturity longer than a year. In the Primary Market, the Bank of Tanzania [BOT] issues T-bonds at regular interval [on monthly basis], there after sales and purchases of T-bonds are traded in the Secondary Market [at Dar es Salaam Stock Exchange].

BOT issues different categories of T-bonds maturities:

- 2 year T-bonds
- 5 year T-bonds
- 7 year T-bonds
- 10 year T-bonds
- 15 year T-bonds
- 20 year T-bonds
- 25 year T-bonds

We are one of the founder members of the Dar es Salaam Stock Exchange (DSE). The company is licensed as Stockbrokers/ Dealer, Fund Manager, and Investment advisory by the Capital Markets and Securities Authority (CMSA).

SOLOMON Stockbrokers is also licensed as Primary Dealer of Government Securities by the Bank of Tanzania. The Brokerage firm has established itself as a reliable and efficient member of the stock brokerage community.

Since registration in 1996, SOLOMON has gained experience in financial markets and has built a strong portfolio of clientele enjoying different types of products and services.

Strong business ethics & regulatory compliance have contributed immensely to our growth into the prime brokerage firm of choice for diverse range of clients.

Our customer base ranges from institutional clients, the category that includes pension funds, insurance firms and agencies.

The other category of our customer base is segmented into high net worth individuals, managed accounts and managed advisory services while the retail category is made up of individuals, families and retirees.

At SOLOMON, we believe in keeping our clients fully informed with market updates, hence, through our research and analysis team, we provide in-depth market report on daily basis.

Our client base makes SOLOMON one of the broker that drives good business volume at DSE making us lead in fixed income security transactions in 2009-2012.

Our Mission

To improve lives through provision of reliable investment opportunities and achieving desired financial goals for our clients

Our Vision

To be the best provider of stock brokerage services in the country

Our Core Values

- Efficiency
- Professional
- Integrity
- Commitment

Agency
