

UNAUDITED RESULTS

FOR THE SIX MONTHS ENDED 30 JUNE 2022

CHAIRMAN'S STATEMENT

Tanzania Portland Cement Public Limited Company (TPCPLC) continues to deliver strong operating results when compared to the same period 2021. Both the sales volume and revenue increased compared to the same period 2021. Revenue increased by 7.9% compared to the same period last year. This increase is due to the increased demand of cement products within Tanzania and outside Tanzania, notably in the infrastructural projects.

The improved operating performance and the availability of the plant and machinery attributed

to the improved performance compared to the same period 2021, all within an environment where the Health and Safety of our employees and contractors is paramount. The Company continues to focus on delivering excellent customer service, selling of high quality products and maintaining strong customer relationships to enable TPCPLC to demonstrate its strength as the leading player in the industry.

Prospects

The cement demand in Tanzania and in the East-African region has been growing steadily in recent years. TPCPLC is well placed to meet this growing demand and will continue to work to maintain its leadership. However, the on-going world crisis is putting pressure on operating margins given rising costs and posing logistical challenges for lead times of critical materials and spares.

Appreciation

The Board would like to thank all its stakeholders for their support. We have every confidence that TPCPLC will continue to deliver value for the shareholders and community in the future.
