TANZANIA BREWERIES PUBLIC LIMITED COMPANY

GROUP'S RESULTS FOR THE SECOND QUARTER ENDED 30 JUNE 2023.

Q2 - 2023 301,122 02 - 2022260,152

16%

I am pleased to announce the business results for the second quarter

Revenue for the quarter increased by 16% over the second quarter of the prior year, with growth across the beer and spirit categories driven by strong performance especially within the Core+ segment of the beer

Operating profit increased by 48% driven by the strong volume performance, and an improvement in brand sales mix. Operating costs were slightly lower than quarter two of the prior year due to optimization and efficiencies in operations. Finance costs increased due to the increase in foreign currencies exchange rate. The operating margin increased by 4.3% to 19.7% compared to 15.4% in the similar period last

Profit after tax for the quarter increased by 42% mainly contributed by the revenue performance.

A total of TShs 21,364 million was invested in capital expenditure over the period compared to TShs 15,647 million in 2022 with a focus on capacity improvement to support the volume growth. Cash generated from operations was TShs 81,997 million, net of a corporate tax payment of TShs 35,672 million and, after utilising TShs 21,364 million to pay for capital expenditure, the remaining funds were largely retained for future activities.

I would like to thank the Board, Management and employees for their engagement and commitment in delivering the results and most importantly our customers, consumers and partners for their continued support and trust in our brands.
